# Every MBEF Donation Makes a Difference

## Your Honor Roll of Donors

We are truly fortunate to live in a community that values a strong public education. Thanks to the \$4.4 million given to MBEF by families, corporations and community supporters this year, our students will benefit from schools that are among the best in the state, with robust core academics and many programs that other districts abandoned long ago.

Thank you for improving their education, enhancing our community, and building our future.
